Step 2

How can I Access iLearn@QHealth?

REGISTRATION PROCESS
You will need to complete our registration form to create your own user account.

Note: A Registered Email Address can only be used once (you cannot use one email address for multiple user accounts).

About System Emails: Some email providers may consider a system generated email as SPAM or Junk (Hotmail & Gmail are problematic). Please check these folders if you haven’t received our registration confirmation email. If you experience issues with registration please contact 1800 198 175 for support.

Select the most suitable category you belong to to get started.

IMPORTANT: Users are only entitled to one iLearn account. If you have previously registered or have an existing account any new registration will not be processed. If you experience issues with registration please contact 1800 198 175 for support.

I am a STUDENT on clinical placement

Go here (launches in new window) to complete our registration form to create a new user account.

Select ‘Non Queensland Health Learner’

Click the Register button

Complete the form with the following information:
- Use your University email address (preferred) or personal email if you do not have a tertiary email account.
- List ‘Student’ as your Position
- List your University as Employer
- List Student Placement coordinator details within Supervisor ‘Name & Contact’.

Registrations are processed daily Monday-Friday.
You will receive an email once your account has been set up.
If you are a returning student contact 1800 198 175 for assistance

Need more help?
For assistance on Clinical Student Placement Orientation requirements refer to ‘Student Help’ within our FAQs.

Under I am a STUDENT on clinical placement, click on Go here
Create your QH iLearn account

Step 2
